

My daughter is not the same person that started with The Pearl Center in 2020.

At The Pearl Center, my child grew intellectually and emotionally. It was the best investment that we have made into her life. She has grown and conquered so many benchmarks that we never thought possible.

- Susan Montgomery

After years of tears and frustration, our daughter is smiling over school and even homework! Cannot say enough about the impact the Pearl Center for Learning has had not only on our daughter, but on our whole family now that she's growing in confidence and learning!

- Paige Welch

The Pearl Center truly changed the trajectory of my daughter's life, simultaneously shifting the atmosphere of our home; we are so thankful for her 3 years in the program working with her Pearl Center therapist! - Annette Dunn

The Pearl Learning Center allowed my daughter Abby to thrive academically, not just within the classroom setting, but also adjusting to a working environment as an adult with Autism with maturity, flexibility, and confidence in her abilities.

-Beth Gannon

The psychologist told us our son would never "catch up," but by God's grace and the expertise of his Pearl Center educational therapist, my son graduated from Pearl Center reading at grade level!
